From around the square

At NLNA we have a clear vision to improve your income, increase your foot traffic and reduce your costs. The future of newsagents is in online and the arrival of NLNA TradeSquare supports this vision. TradeSquare is an online wholesale buying platform made for Australian businesses with hundreds of Australian wholesalers. It's easy to use and the benefits are significant. I urge you to get on board today!

Brendan Tohill
NLNA CEO

The National Lotteries and Newsagents Association (NLNA) and TradeSquare have partnered to help the country's newsagents grow their profits and reduce costs.

The NLNA is a national industry body that represents the newsagency and lottery industry. Their members include general and convenience stores, parcel pickup hubs, gift stores, and outlets for Tabcorp – the largest provider of lotteries, and News Corp's various brands.
